The Court issued its November 21, 2006 Order extending until December 30, 2006 the time for the Defendant City of Oakland and the Oakland Police Department to complete the iPAS Operations Guide. The IMT has notified OPD that it will not be available for consultation and review of the iPAS Operations Guide the week of December 25, 2006 and if OPD is unable to provide the IMT with a final document by December 22, 2006 that it should request a further time

1 extension from the Court. OPD will be unable to have a final document completed by December 22,
2 2006. The City and OPD therefore respectfully request that the Court approve an extension of time
3 for completion of the iPAS Operations Guide to January 17, 2007. The plaintiffs' attorneys are not
4 opposed to this extension of time. The City will continue to keep the Court, plaintiffs' counsel and
5 the IMT informed of developments on the iPAS system, the iPAS Operations Guide and the iPAS
6 Users Guide.
